The reserves and supporters who have been entered by the team leader will be assigned a start time after start time 83 (10:53 a.m. local time). Participants on the open courses outside Interland will start from approx. 11:15 a.m. local time). Reserves will run the course of their own class (i.e. M17 reserve will run M17 Interland course etc.) unless they want to run a different course. In that case please report at the CC. Supporters can choose to either run the course corresponding their class or choose one of the Open course. Please see table in Bulletin 3 (page 2) and report at CC when a different course than entered is desired.
